1. SCOPE OF THIS SCHEDULE

- 1.2 Subject to Parts F and G of this Schedule 8.3, the parties shall seek to resolve all Disputes as follows:
- (a) firstly, by good faith negotiations in accordance with the Escalation Process set out in Part B of this Schedule 8.3;

- 1.3 Nothing in this Schedule 8.3 shall prevent either party from:
- (a) applying to court for interim and/or final relief to prevent the violation by the other party of any proprietary interest, or any breach of the other party's obligations, which could cause irreparable harm to the first party or where the first party is ultimately unlikely to be compensated in damages in relation to such violation or breach; or
 - (b) bringing proceedings intended to result in the enforcement of a settlement agreement or a binding determination of a Dispute between the parties in accordance with this Dispute Resolution Procedure or otherwise.

2. CONTINUED PERFORMANCE BY THE PARTIES

Unless otherwise agreed by the parties in writing, each party shall continue to comply with their respective obligations under this Agreement despite:

- (a) the existence of a Dispute (and regardless of the nature of the Dispute); and/or
- (b) the referral of a Dispute to this Dispute Resolution Procedure.

3. DISPUTE NOTICES

If either party considers that a Dispute has arisen, it may notify the other party in writing in accordance with Clause 75 (the "**Dispute Notice**"). The Dispute Notice shall set out (in reasonable detail):

4. **SUB-CONTRACTORS**

- 4.1 The Contractor shall procure that any Sub-contractor involved in the provision of any Services which are the subject of a Dispute shall provide any information or assistance reasonably required by either party in order to resolve such Dispute (including the provision of any reasonable information, data or documentation and the reasonable attendance at any meetings or hearings).
- 4.2 Unless otherwise agreed by the parties in writing, responsibility for any costs incurred by any Sub-contractors participating in the resolution of any Dispute shall be determined by the relevant forum of dispute resolution.
- 4.3 For the avoidance of doubt, a Sub-contractor shall not have the authority to agree the outcome of any resolution of a Dispute or the procedures that shall apply in respect of the resolution of any Dispute.

PART B – ESCALATION PROCESS

5. GENERAL

- 5.1 The parties shall use all reasonable endeavours to resolve any Dispute between them in good faith in accordance with the escalation process set out in this Part B (the "**Escalation Process**").
- 5.2 Each party shall ensure that its relevant representatives attend any meetings convened under this Part B.

- 5.5 Any communications between the parties during the Escalation Process shall be:
- (a) provided on a "without prejudice" basis and will not be admissible by the other party as evidence in any legal process unless the party providing such communications has otherwise agreed in writing; and
 - (b) treated as Confidential Information of the disclosing party for the purposes of this Agreement.
- 5.6 If the Dispute is resolved at any stage of the Escalation Process, each party shall ensure that the agreed resolution is:

- (b) the parties agree in writing that the Fast Track Dispute Resolution Procedure shall apply, they shall agree which of the procedures in paragraph 18.2 shall apply.

19. ESCALATION PROCESS

19.1 The parties shall use all reasonable endeavours to expedite the resolution of Fast Tracked Disputes.

Part E of this Schedule 8.3 shall apply to any Fast Tracked Dispute which has not been resolved after following the applicable process in paragraph 20 (Expert Determination and Mediation).

PART G – MULTI-PARTY DISPUTES

22. DETERMINATION BY THE DCC

22.1 If at any time following the occurrence of a Dispute (whether before or after the issue of a Dispute Notice under paragraph 3 (Dispute Notices) of Part A of this Schedule 8.3), the DCC (acting reasonably) considers that the matters giving rise to the Dispute have been contributed to by one (1) or more of the Prime DSP, the other Prime CSP and/or any other DCC Service Provider (each, for the purposes of this Schedule 8.3, a "**Relevant Provider**"), then:

- (a) the DCC shall be entitled to determine that the Dispute is a "**Multi-Party Dispute**"; and
- (b) if so, the DCC shall notify the Contractor and the Relevant Providers accordingly (the "**Multi-Party Dispute Notice**").

22.2 In this Schedule 8.3, "**Relevant Contracts**" means each agreement in connection with which a Relevant Provider acts as a DCC Service Provider.

23. CONTRACTOR REQUEST

23.1 If at any time following the occurrence of a Dispute (whether before or after the issue of a Dispute Notice under paragraph 3 (Dispute Notices) of Part A of this Schedule 8.3), the Contractor has reasonable grounds to believe that the matters giving rise to the Dispute have been contributed to by one or more of the Relevant Providers, the Contractor shall notify the DCC accordingly ("**Contractor Request**"):

- (a) setting out its grounds for such belief;
- (b) specifying the Relevant Providers that it believes have contributed to the matters giving rise to the Dispute; and
- (c) requesting that the Dispute be treated as a Multi-Party Dispute.

23.2 Within ten (10) Working Days after the date of receipt of a Contractor Request, the DCC (acting reasonably) shall either:

- (a) determine that the Dispute is a Multi-Party Dispute (in which case, the DCC shall issue a Multi-Party Dispute Notice in accordance with paragraph 22.1(b)); or
- (b) determine that the Dispute is not a Multi-Party Dispute (in which case, the Dispute shall be resolved in accordance with Parts A to F of this Schedule 8.3, as applicable).

24. LATER DETERMINATION OF MULTI-PARTY DISPUTE

For the avoidance of doubt, a determination by the DCC that a Dispute is not a Multi-Party Dispute shall not preclude:

- (a) a subsequent determination by the DCC under paragraph 22 that the Dispute is a Multi-Party Dispute; or
- (b) the issue of a Contractor Request under paragraph 23,

in respect of the same Dispute as a result of additional information subsequently becoming available to the parties.

25. **DUTY TO PARTICIPATE**

The parties acknowledge and agree that:

- (a) the Relevant Contracts with the Prime DSP and Prime CSP contain equivalent procedures to this Part G relating to Multi-Party Disputes and the DCC shall use reasonable endeavours to ensure that any other Relevant Party complies with equivalent procedures to this Part G relating to Multi-Party Disputes;
- (b) where the DCC (acting reasonably) considers that the matters giving rise to a dispute under a Relevant Contract ("**Relevant Dispute**") have been contributed to by the Contractor, the DCC may issue a Multi-Party Dispute Notice to the Contractor in relation to the Relevant Dispute; and
- (c) where the DCC issues a Multi-Party Dispute Notice to the Contractor under paragraph 25(b), the Relevant Dispute shall be deemed to be a Multi-Party Dispute under this Agreement and the Contractor shall comply with the provisions of this Part G.

26. **ESCALATION PROCESS**

26.1 The parties shall comply with the Escalation Process set out in Part B of this Schedule 8.3 in respect of any Multi-Party Dispute, provided that:

- (a) the discussions under paragraph 6 (Initial Referral to Operational Management Team) of Part B of this Schedule 8.3 shall be between the DCC Operational Management Team, the Contractor Operational Management Team and the equivalent operational management team of the Relevant Providers;
- (b) a reference to a Dispute Notice in paragraph 6 (Initial Referral to Operational Management Team) shall, for the purpose of this paragraph 26, be deemed to be a reference to the relevant Multi-Party Dispute Notice;
- (c) for the purpose of any discussions under paragraphs 7 to 9 of Part B of this Schedule 8.3, the applicable Operational Management Board, the Partnership Management Board and/or the Executive Management Board shall include appropriate representatives of the Relevant Providers (in the manner further described in Schedule 8.1 (Governance)); and
- (d) a reference in Part B of this Schedule 8.3 to a "party" or "parties" shall, for the purpose of this paragraph 26, be deemed to include the Relevant Providers.

26.2 The DCC shall ensure that where the Prime DSP and/or the Prime CSP are involved in the Multi-Party Dispute the Prime DSP and the Prime CSP (as appropriate) are subject to confidentiality obligations to the DCC which protect the Contractor's Confidential Information and which are substantially

similar to Clause 50 (Confidentiality). The DCC shall use reasonable endeavours to ensure that any other Relevant Party complies with similar confidentiality obligations to those in Clause 50 (Confidentiality). Such obligations may either be included within the applicable Relevant Contract or be in a separate written agreement with the DCC.

27. **MEDIATION**

If a Multi-Party Dispute is not resolved in accordance with paragraph 26 (Escalation Process), then the DCC, the Contractor and the Relevant Providers shall attempt to resolve the Multi-Party Dispute by mediation in accordance with the model mediation procedure of CEDR, unless any of the DCC, the Contractor or the Relevant Providers (acting reasonably) considers that the Multi-Party Dispute is not suitable for mediation. The provisions of Part C of this Schedule 8.3 shall apply to any mediation under this paragraph 27 (provided that a reference in Part C of this Schedule 8.3 to a "party" or "parties" shall, for the purpose of this paragraph 27, be deemed to include the Relevant Providers).

28. **EXPERT DETERMINATION**

If a Multi-Party Dispute has not been resolved in accordance with paragraph 27 (Mediation) and it relates to:

- (a) any aspect of the technology underlying the provision of the Services (or the services provided under the Relevant Contract) or is otherwise of a technological or technical nature; or
- (b) the calculation of the Charges or any other amount payable under this Agreement,

then any of the DCC, the Contractor or the Relevant Providers may request, by written notice to the others, that the Multi-Party Dispute is referred to expert determination. The other parties shall not unreasonably withhold or delay their agreement to such request. The provisions of Part D shall apply to any expert determination process under this paragraph 28 (provided that a reference in Part D of this Schedule 8.3 to a "party" or "parties" shall, for the purpose of this paragraph 28, be deemed to include the Relevant Providers).

29. **ARBITRATION**

29.1 This paragraph 29 shall apply in respect of any Multi-Party Dispute that has not been resolved in accordance with paragraphs 26 (Escalation Process), 27 (Mediation) or 28 (Expert Determination) (as applicable) but without prejudice to each party's rights under paragraph 1.3 of Part A of this Schedule 8.3 (and the equivalent provisions of the Relevant Contracts).

29.2 In this paragraph 29, a "**Relevant Entity**" means the DCC, the Contractor or any of the Relevant Providers (and "**Relevant Entities**" shall be construed accordingly).

29.3 The parties acknowledge and agree that:

- (a) any Relevant Entity may, at any time before any court proceedings in relation to the Multi-Party Dispute are commenced, serve a notice on

the other Relevant Entities requiring that the Multi-Party Dispute be referred to arbitration, and the other Relevant Entities shall comply with such requirement; and

- (b) if any Relevant Entity (the "**Notifying Entity**") intends to commence any court proceedings in relation to the Multi-Party Dispute, it shall first serve written notice on the other Relevant Entities confirming its intention to do so, and any of the other Relevant Entities may, within fifteen (15) Working Days from the date of receipt of the Notifying Entity's notice under this paragraph 29.3(b), reply to the Notifying Entity and the other Relevant Entities in writing, requiring that the Multi-Party Dispute be referred to arbitration, and the Notifying Party and the other Relevant Entities shall comply with such requirement.

29.4 The DCC and the Contractor consent to being joined to:

- (a) any arbitration commenced pursuant to a Relevant Contract for the purposes of paragraph 29.3; or
- (b) subject to their respective rights under this Part G of Schedule 8.3, any court proceedings commenced pursuant to a Relevant Contract in relation to a Multi-Party Dispute.

29.5 The parties acknowledge and agree that, pursuant to the terms of the Relevant Contract(s), the Relevant Providers shall be required to comply with provisions equivalent to paragraphs 29.3 and 29.4.

29.6 All arbitral proceedings relating to Multi-Party Disputes shall be subject to the requirements of Part E of this Schedule 8.3 unless otherwise agreed by the Relevant Entities in writing and provided that:

- (a) a reference in Part E of this Schedule 8.3 to a "party" or "parties" shall, for the purpose of this paragraph 29 be deemed to include the Relevant Providers; and
- (b) for the purposes of paragraph 17(d) of Part E of this Schedule 8.3, the arbitral panel shall be agreed by the Relevant Entities (acting reasonably) (and, if the Relevant Entities are unable to agree on the arbitral panel within ten (10) Working Days after the date on which the Multi-Party Dispute was referred to arbitration, the arbitral panel shall be appointed by the LCIA in accordance with the LCIA procedural rules).

30. GENERAL PROVISIONS

30.1 Part A of this Schedule 8.3 shall apply to all Multi-Party Disputes (provided that a reference in Part A of this Schedule 8.3 to a "party" or "parties" shall, for the purpose of this paragraph 30.1, be deemed to include the Relevant Providers).
