SCHEDULE 10

INSURANCE

1. OBLIGATION TO MAINTAIN INSURANCES

- 1.1 Without prejudice to its obligations to the DCC under this Agreement, including its indemnity obligations, the Contractor shall for the periods specified in this Schedule 10 take out and maintain, or procure the taking out and maintenance of the insurances as set out in Appendix 1 of this Schedule 10 and any other insurances as may be required by applicable Law (together the "**Insurances**"). The Contractor shall ensure that each of the Insurances is effective no later than the Commencement Date.
- 1.2 The Insurances shall be maintained in accordance with Good Industry Practice and (so far as is reasonably practicable) on terms no less favourable than those generally available to a prudent contractor in respect of risks insured in the international insurance market from time to time.
- 1.3 The Insurances shall be taken out and maintained with insurers who are:-
- 1.3.1 of good financial standing;
 - 1.3.2 appropriately regulated; and
 - 1.3.3 except in the case of any Insurances provided by an Affiliate of the Contractor, of good repute in the international insurance market.
- 1.4 Where any Insurances are provided by an Affiliate of the Contractor, the Contractor shall provide to the DCC on the Commencement Date (or inception of the relevant Insurances if later) and thereafter within ten (10) Business Days of written request from the DCC evidence of good financial standing of the relevant Affiliate in a form satisfactory to the DCC.
- 1.5 The Contractor shall ensure that the public and products liability policy shall contain an indemnity to principals clause under which the DCC shall be indemnified in respect of Claims made against the DCC in respect of death or bodily injury or third party property damage arising out of or in connection with the Services and for which the Contractor is legally liable.

2. GENERAL OBLIGATIONS

- 2.1 Without limiting the other provisions of this Agreement, the Contractor shall:-
- 2.1.1 take or procure the taking of all reasonable risk management and risk control measures in relation to the Services as it would be reasonable to expect of a prudent contractor acting in accordance with Good Industry Practice, including the investigation and reports of relevant claims to insurers;
 - 2.1.2 promptly notify the insurers in writing of any relevant material fact under any Insurances of which the Contractor is or becomes aware; and
 - 2.1.3 hold all policies in respect of the Insurances and cause any insurance broker effecting the Insurances to hold any insurance slips and other evidence of placing cover representing any of the Insurances to which it is a party.

3. FAILURE TO INSURE

- 3.1 The Contractor shall not take any action or fail to take any action or (insofar as is reasonably within its power) permit anything to occur in relation to it which would entitle any insurer to refuse to pay any claim under any of the Insurances.
- 3.2 Where the Contractor has failed to purchase any of the Insurances or maintain any of the Insurances in full force and effect, the DCC may elect (but shall not be obliged) following written notice to the Contractor to purchase the relevant Insurances, and the DCC shall be entitled to recover the reasonable premium and other reasonable costs incurred in connection therewith as a debt due from the Contractor.

4. EVIDENCE OF INSURANCES

- 4.1 The Contractor shall upon the Commencement Date and within fifteen (15) Business Days after the renewal or replacement of each of the Insurances, provide evidence, in a form satisfactory to the DCC, that the Insurances are in force and effect and meet in full the requirements of this Schedule 10. Receipt of such evidence by the DCC shall not in itself constitute acceptance by the DCC or relieve the Contractor of any of its liabilities and obligations under this Agreement.

5. AGGREGATE LIMIT OF INDEMNITY

- 5.1 Where the minimum limit of indemnity required in relation to any of the Insurances is specified as being "in the aggregate":-
- 5.1.1 if a claim or claims which do not relate to this Agreement are notified to the insurers which, given the nature of the allegations and/or the quantum claimed by the third party(ies), is likely to result in a claim or claims being paid by the insurers which could reduce the level of cover available below that minimum, the Contractor shall immediately submit to the DCC:-
- (a) details of the policy concerned; and
 - (b) its proposed solution for maintaining the minimum limit of indemnity specified; and
- 5.1.2 if and to the extent that the level of insurance cover available falls below that minimum because a claim or claims which do not relate to this Agreement are paid by insurers, the Contractor shall:-
- (a) ensure that the insurance cover is reinstated to maintain at all times the minimum limit of indemnity specified for claims relating to this Agreement; or
 - (b) if the Contractor is or has reason to believe that it will be unable to ensure that insurance cover is reinstated to maintain at all times the minimum limit of indemnity specified, immediately submit to the DCC full details of the policy concerned and its proposed solution for maintaining the minimum limit of indemnity specified.

6. CANCELLATION

- 6.1 Subject to Paragraph 6.2, the Contractor shall notify the DCC in writing at least fifteen (15) Business Days prior to the cancellation, suspension, termination or non-renewal of any of the Insurances.

6.2 Without prejudice to the Contractor's obligations under Paragraph 4, Paragraph 6.1 shall not apply where the termination of any Insurances occurs purely as a result of a change of insurer in respect of any of the Insurances required to be taken out and maintained in accordance with this Schedule 10.

7. INSURANCE CLAIMS

7.1 The Contractor shall promptly notify to insurers any matter arising from, or in relation to, the Services and/or this Agreement for which it may be entitled to claim under any of the Insurances. In the event that the DCC receives a claim relating to or arising out of the Services and/or this Agreement, the Contractor shall co-operate with the DCC and assist it in dealing with such claims at its own expense including without limitation providing information and documentation in a timely manner.

7.2 Except where the DCC is the claimant party, the Contractor shall give the DCC notice within twenty (20) Business Days after any insurance claim in excess of £1 million relating to or arising out of the provision of the Services or this Agreement on any of the Insurances or which, but for the application of the applicable policy excess, would be made on any of the Insurances and (if required by the DCC) full details of the incident giving rise to the claim.

7.3 Where any of the Insurances require payment of a premium, the Contractor shall be liable for and shall promptly pay such premium.

7.4 Where any of the Insurances are subject to an excess or deductible below which the indemnity from insurers is excluded, the Contractor shall be liable for such excess or deductible. The Contractor shall not be entitled to recover from the DCC any sum paid by way of excess or deductible under the Insurances whether under the terms of this Agreement or otherwise.
