27 March 2026

Dear Ayena,

Notice of Service Charges for Regulatory Year ending 31 March 2027

Notice

In accordance with Condition 19.9 (a) of the Smart Meter Communication Licence (the "Licence") and Section J4.2 of the Smart Energy Code ("SEC"), Smart DCC Ltd ("DCC") hereby gives Notice to the Authority of DCC Service Charges for the Regulatory Year ending 31 March 2027 (RY 2026/27).

In accordance with Condition 19.5 of the Licence, DCC formally requests the Authority's approval of the form of the Charging Statement before 31 March 2026.

We explain the updated Service Charges in the Charging Statement version 1.0, which is enclosed with this Notice. In accordance with Condition 19.13 of the Licence, we propose that this draft Charging Statement comes into effect on 1 April 2026.

Since the first draft of the RY26/27 Charging Statement was published (in December 2025), Ofgem has directed¹ changes to reflect its final Price Control decision for RY2024/25, in which it determined, compared to its consultation position:

- a decrease in the disallowed costs of £19.6m from £30.84m to £11.25m

¹ Ofgem, Notice of Price Control Decisions, Determinations and Directions Regulatory Year 2024/25: [DCC Price Control Decision Regulatory Year 2024/25 | Ofgem](#)

The resultant total cost estimate for RY2026/27 is £645.4m.

A high-level summary of the changes to the form of the Charging Statement are set out in Table 1 in [Appendix A](#).

Next steps

This draft Charging Statement will take effect from 1 April.

A copy of the enclosed draft Charging Statement will be shared with those with whom DCC has entered into an Agreement for Services, pursuant to Licence Condition 19.9(b). Currently, this means all SEC Parties.

We look forward to receiving your approval of the form of this Charging Statement.

If you have any questions in relation to this letter or its enclosure, please contact me at Leath.AIObaidi@smartdcc.co.uk. The draft Charging Statement will also be made available on the DCC website (www.smartdcc.co.uk).

Yours sincerely,

Leath Al Obaidi

Senior Regulatory Finance Manager, DCC
